Select *one* of the options above, and enclose your check or money order payable to “stereomounting.com.” Only pre-paid orders will be processed. Your slides will be mounted in RMM 5P-N-SIH mounts, which are packaged 76 mounts per box. For each roll submitted, we will use up to 30 SIH mounts *from the box(es) you are purchasing* to mount your slides. You will receive the remaining 46+ unused mounts per box for your own future use. When submitting a single roll for processing, you have the option to purchase one additional full box (76 mounts) of SIH mounts at regular retail price of \$15, or one full box (60 mounts) of self-stick mounts at regular retail price of \$7.50. stereomounting.com’s liability for damaged film will be limited to replacement of the film, in accordance with the processing lab’s standard liability disclaimer. Only USA domestic orders can be accepted during the initial rollout period. International orders may be accepted at a future date.
